**Why Private Support is Important:** Investing in Chi Phi ensures the continued success of the Fraternity. Private support from Alumni, parents, undergraduates, friends and corporate partners builds better men,

Chapters and communities by strengthening and enhancing the values-based leadership and education programs offered to Chi Phi students. Undergraduate dues and fees pay only 60% of the overall expenses to run a national Fraternity of nearly 60 chapters and 2,000 students. Annual support is critical to sustain excellence and create opportunities for students across the United States.

### What to Support - the Annual or Capital Campaign?

The short answer is both count. Increasing support for the annual fund is a central priority for the overall \$10 million capital campaign. As a result, annual fund gifts count and donors are recognized as capital campaign donors. Related, capital campaign payments also count for annual fund recognition. For example, someone who pledges \$10,000 to the capital campaign over five years is also going to qualify as a member of the Gladfelter Circle for his annual payment of \$2,000 per year for the next five years. Chi Phi wants to make giving as easy as possible. Just pick the amount you feel comfortable contributing and the terms for paying it, and you'll be recognized as both an annual fund and capital campaign supporter.

**Easy Ways to Give:** You can make a gift using cash, check, money order, credit card, stock and other securities by contributing your gift all at once or

spreading payments out over a period of time that's best for you. In addition, many individuals can take advantage of their company's corporate matching gift program to double or triple their gift to Chi Phi. Finally, Chi Phi will work with donors and their advisors to structure a variety of planned gifts including bequests, trusts and gifts of life insurance.
